RE: Your letter of February 9, 1981
Conrail - Harford Engine Terminal
EPA-ID # CTD 000841148

Dear Mr. Cavagnero:

Hazardous Waste Activity Notification was filed for Conrail's Harford Engine Terminal because we were under the impression that #2 fuel oil and used lube oil would be regulated under RCRA.

However, since both of these products are returned for re-refining, they are not actually a hazardous waste.

For this reason, we did not follow up with a Hazardous Waste Treatment, Storage or Disposal Facility Permit application for this location.

Please contact me if you require any additional information.

Sincerely,

J. C. Curry
